our school

**If scooting or cycling to school saves a car journey why not think about travelling this way?**

You can park your scooter or bike in our pods on the playground. Remember to be travel safe, look out for pedestrians and vehicles. Please do not ride around the playground as we don't want anyone to get knocked over!

Please have consideration for our neighbours and don't park on pavements, across drives

**If you can - please walk to school.** Walking is a great way to keep fit and it helps to keep the school gates free of cars. This makes it safer for children, it's also good for our neighbours and the environment.
