## HOW YOU CAN DONATE

Around **80%** of our income comes from donations like yours. Please consider donating and help us continue our important work:

## OUR SERVICES

**Autism Services:** Providing diagnostic assessments, practical and emotional support for autistic children and their families.

**Equipment:** Supporting families with mobility and sensory equipment to help children and young adults with their development, mobility and independence.

**Workshops:** Providing families with a range of resource sessions that focus on raising a child with a disability or an autistic child.

**Kids' Activities Club:** Hosting activities for children and young people with SEND. These sessions are fun, help with social skills and build their confidence.

**Occupational Therapy:** Helping children and young people build everyday skills, supporting confidence and independence, whether it's getting dressed, making friends, or doing their best at school.

**Family Support:** Providing families caring for a disabled or neurodivergent child or young person with vital support and information in person, over the phone, email, or via live chat.

**Sensory Packs:** Supporting families to access a range of portable sensory support packs.

**Shaping Futures:** Supporting young neurodivergent people who are not in Education, Employment or Training with vital employability and life skills to help shape their futures.

CHILDREN**

## SENSORY EQUIPMENT AND PACKS

# SENSORY EQUIPMENT AND PACKS

Every child explores the world in their own way. Sensory equipment can make play and learning easier, more fun, and more comfortable for your child. From tools that calm and soothe to activities that build new skills, these resources are here to support your child at home or on the go.
