

History: At the start of this term, we will be undertaking a local history study 'What was Swadlincote like 100 years ago?' with a focus on pottery and ceramics. Following that, we will be studying World War 2: Key battles, weapons and impact.

Maths

We will be learning about:

Number and Place Value – Roman numerals to 1,000, read, write, partition, order, compare and round numbers up to 1,000,000, power of 10,

Addition, Subtraction – Mental and written methods using numbers with more than 4 digits, rounding, inverse operations and multi-step word problems.

Multiplication and Division – Multiples, factors prime, squared and cubed numbers and multiplying and dividing by 10,100 and 1,000.

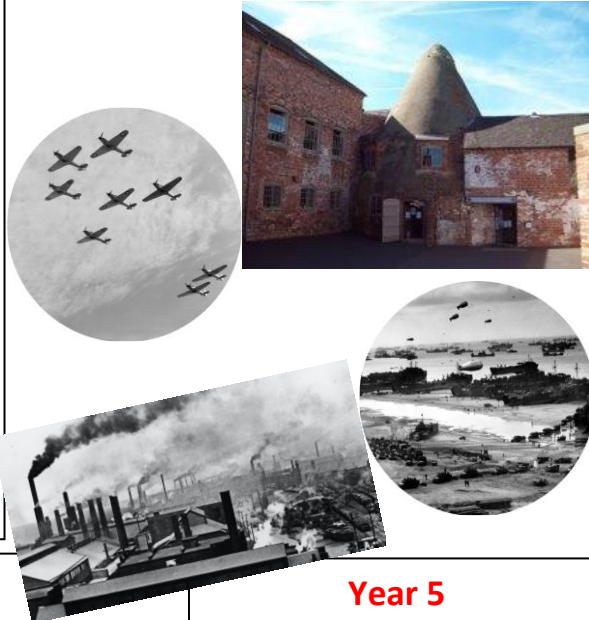

PE

We will be learning various invasion games including: basketball, dodgeball and bench ball and using the REAL PE scheme of work to focus on ball skills and reaction and response.

Science

Our science topic is: Earth and Space. This will include:

- The movement of Earth relative to the solar system
- Describe the sun, Earth and moon
- Revise night and day
- Understand how and why we have seasons
- The movement of the moon relative to the Earth, including 'types' of moon and the moon phases
- Stars and how they are formed

Year 5 Autumn 1 - Foxes

RE: We will be focussing on and discussing the question: What would Jesus do?

PSHE

We will be looking at: Living in the wider world, Health & Wellbeing and relationships.

Spanish

We will recap on Phonics and Pronunciation, then focus on: Seasons.

English

In English we will start the term by completing a short storybook unit based on the book: The Fantastic Flying Books of Mr Morris Lessmore. We will then be covering fiction in the first half term, with a focus on setting descriptions. Will be learning about and writing portal stories.

Our grammar focus will be: noun phrases, adjectives, different types of sentences (including a sentence of 3), prepositions and pronouns.

IT

We will be completing our Online Safety unit, which will include: online protection, online bullying and online health.

Music

We will be focussing on composition notation with an Ancient Egyptian theme.

Art

Our topic is Surrealism. We will be studying what Surrealism is, look at different examples and study key artists (with a particular focus on Salvador Dalí and Andre Masson). As a final piece, they will be creating their own 'dream picture' using sand.
