

Welcome to Owls,

I'm Miss Moore, the Owls class teacher. I'm supported in class by Mrs Fearn, Mrs Feasey, Miss Fearn and Derhyse. Miss Leo and Mrs Nee will also be adults in the classroom some of the time. Mrs Fearn will teach the class on Wednesday morning until break. Year 1 is an exciting year for the children as they move from the Early Years Foundation Stage to the first year of the National Curriculum. Some children can understandably feel a little apprehensive about how learning will change but we ensure that change is introduced gradually and there is still lots of opportunities for practical, play based learning. We are very lucky to have an outside area attached to the Owls classroom to enable us to provide a range of activities outside too.

PE

We will have PE on Mondays and Wednesdays. Please ensure that children have their PE kits in school each week. All items should be labelled. Long hair should be tied back, and earrings should be removed before school, please. As the weather gets colder you may like to send in jogging bottoms/leggings and sweatshirts. Please send a pair of socks in if your child wears tights.

Forest School

We will have Forest school on Wednesdays, this will alternate with P.E and be every other term, starting off in Autumn 1. It is a fantastic opportunity for children to connect with nature, develop confidence, and build important life skills such as teamwork, resilience, and independence—all while having fun outdoors. Forest School encourages curiosity and creativity in a natural setting, and we can't wait to see the children thrive in this hands-on, adventurous learning environment. To help your child get the most out of these sessions, please send in old, long-sleeved clothes that you don't mind getting muddy, along with waterproofs and a pair of wellies or sturdy boots.

Homework

Maths and English homework will be set weekly. Homework books will be expected to be handed in every Wednesday, so there is enough time given for marking. These tasks will be closely related to the work we will be doing in class that half term. We hope that this helps the children to develop fluency and confidence and also gives you a chance to see the things we are covering in class. If you have any questions about the homework that has been set please do not hesitate to email me. Sometimes a Maths task will be set on Mathletics. You can find your child's login details in their reading diary. If you need support with this or lose your login details then please let me know.

Reading

We place great importance on reading and would love all children to develop a love of reading. Reading a wide variety of books to your child will provide rich reading experiences that help promote a love of reading. Please support your child to read their school reading book at least x3 and make a note of the pages they have read in their diary to get a chance of a dip in our prize box. They will need to bring their reading book and diary into school every day and place it in the reading box. We also encourage the children to be able to talk confidently about the characters and main events in a story. We ask them to make predictions about what will happen next in the story and we look for interesting story language together.

Sounds Write

If you would like to learn more about Sounds Write, you can do a free online course, aimed at parents. There are 2 courses and each last about 20 mins. Go to <https://www.udemy.com/course/help-your-child-to-read-and-write> to find out more.

Spellings

Children will bring home spellings every Friday as we move into the school year it will be every other Friday. Please practice reading and writing these words with your child. They can also try using them in a sentence. There will be an informal test each Friday. Practising the words throughout the week helps the children to become more confident when using them in their writing.

Mid-morning snack

All children will be offered a piece of fruit at break time. Children are also welcome to bring in their healthy snacks e.g. fruit or cereal bars. Please also send your child in with a named water bottle.
