Ladybirds 2/3

Termly Overview

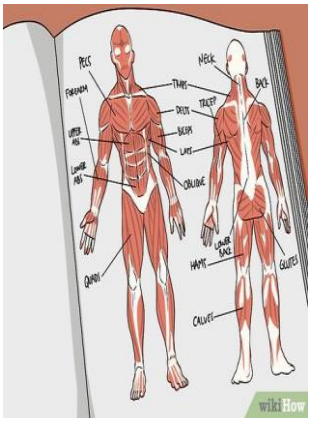
Spring 2

English – *Diary Recounts.* Focusing on writing in 1st person narrative and looking at different types.

Maths – We will continue to practise x tables and also time each morning, before the school day starts. We will also be focusing on measuring length and perimeter.

DT – *Paper Circuits:* Exploring light up cards before designing and creating our own! We will experiment with copper tape, LEDs and switches to create our perfect illuminated Easter Card!

History – *Railways*: Identifying and naming some railways and looking at heir historical features.



Science – We will begin the term by looking at Electricity in the home, safety and circuit making. This leads into our DT topic above. We will then continue on from last half term: The Human Body and Staying Healthy. However, we will now focus on health and nutrition, as well as exercise and mindfulness. This links well into our PSHE topic too.

RE- *Christianity and Bible Stories* – recapping on the symbols and features of Christian worship before moving onto stories from the Bible. It will relate to the Easter story too.

Sounds Write – 'v' (Different spellings, same sound: navvy, van, olive)

'oo' (Different spellings, same sound: **balloon, flute, Sue, brew, prove, fruit, route, through**) 'j' (jar, hedge, fringe, gem)

Don't forget to listen to your child read as often as you can! This will help with fluency as well as spelling an writing.
